154-117 CLICK SHIM	----
183N-330LD FRAME	183-330LD FRAME

Penn's 1ST RUN schematic originally had these handle parts

They came from a 330GTi, and are not compatible with the 330LD

23A	23-114 HANDLE SCREW
24	24-225 HANDLE ASSEMBLY
110B	110-60 HANDLE LOCK SCREW

Using this handle combination would be unstable

Use the corrected parts in the main list instead
