******* DESIGN CHANGE WARNING *******

Early SSV reels when released had a slightly different housing, crosswind gear and housing cover

The diameter of the CW gear hole and post was CHANGED and the pin/pin hole diameters on the 45- cover were changed as well

THIS DESIGN CHANGE affects the housing, crosswind gear, and housing cover

MEASURE YOUR HOUSING/GEAR

At the post where the crosswind sits or the hole in the center of the crosswind gear.

Parts that you order MUST MATCH EACH OTHER

Some parts may no longer be available, so check all three parts for availability and matching size
