\* Order Control Box in "Feet" or "Metric" according to model

NOTE: Many of [www.pennparts.com](http://www.pennparts.com) schematics include changes that were either made by Penn, or errors found and corrected by our parts dept.

The 303B-875 battery is confirmed to be a Panasonic CR2032.

### QUICK INSTALLATION INSTRUCTIONS:

Remove the handle side of the reel and slide out the spool.

There is one screw and a flat washer holding the control box on one side of it, remove these.

Push the control box sideways to slide it off of the frame.

Turn the box upside down, and remove the 6 screws to access the battery.

THE PANASONIC CR2032 BATTERY CAN BE FOUND AT MOST PHARMACIES.
